Payment of Fees: Tuition must be paid by automatic debit or credit card monthly. We do not accept cash or checks. The tuition will be charged to your bank account on the 1st of each month. We are a year-round school. Our monthly fees reflect 47 weeks of tuition. You are not being charged for the weeks that the school is closed.

Billing: We are a 12-month school. We bill for 47 weeks therefore if you have a month where there are 5 weeks, you still get charged your normal monthly tuition. By the end of your yearly registration sign-up, you will have balanced out all months. You are not overpaying or underpaying, you are getting an equal number of classes a year.

Withdrawal and Refunds: Withdrawals must be completed by the 15th of the paid month. Once an automatic payment has been charged to your account for a given month, no refunds or credits will be given for any missed lessons for the remainder of the month.

To complete a withdrawal:

- Click the Google Withdrawal Form link provided to you by an Administrator.
- Complete all required fields.
- Submit the completed form.
- Wait for confirmation from Administration that your withdrawal has been received.

Please note: A withdrawal will not be processed until the completed Google Withdrawal Form has been submitted. A text message, email, phone call, or voice message does not constitute an official withdrawal.
